

Please check each site for hours of operation noting this may change according to the season.

Walking Trail

ITINERARY

Waldheim CN Trail

In 2025, the Town of Waldheim and the RM of Laird entered into an agreement where the Town was able to create an official walking trail on the RM Property south of Town known locally as the old CN Rail railway bed.

The trail can be accessed either from Penner Street or from Central Avenue (please do not cross private property to access).

Rosthern

If you prefer a mixture of nature and charming urban, try out the Rosthern walking trails. Their are multiple different interconnected paths to suit your wishes. They can take you along the nature filled water reservoir, over the historical old highway bridge or past the pioneer cemetery. Be sure to include a path or two when you come to Rosthern for an ice cream snack at Lil' Bean or delicious cinnamon bun at Stoney Hill Bakery.

Walking Trail ITINERARY

Eb's Trails

EBS Trails has two start points, the south parking lot and the north parking lot. These trails provide varying degree of difficulty of hikes (and groomed cross country skiing) through forested areas, perfect for birdwatching and photography. These well marked trails of varying length are sure to be a repeat favorite destination no matter the season.
